Docket No.:

DECLARATION - Utility or Design Patent Application

I hereby claim the benefit under Title 35, United States Code § 120 of any United States application(s), or § 365(c) of any PCT international
application designating the United States of America, listed below and, insofar as the subject matter of each of the claims of this application is
not disclosed in the prior United States or PCT International application in the manner provided by the first paragraph of Title 35, United
States Code § 112, I acknowledge the duty to disclose information which is material to patentability as defined in Title 37, Code of the Federal
Regulations § 1.56 which became available between the filing date of the prior application and the national or PCT international filing date of
this application.
